

AC129 – Side Curtain Protector Bag

The following photos will help to organize your side curtain panels in the protector. Insert panels in sequence from back of compartment forward.

Quilted bag w/ handle & velcro flap

Soft flannel interior panels

#1 Right Rear Inside

#2 Right Forward Outside

#3 Left Front Outside

#4 Left Rear Outside

Caution: This bag is not designed to carry the 4 panels independently. The Velcro fastener for the flap will not support the weight. It is only to be used as a protector inside the sidecurtain compartment.

Thank you for your purchase!
